

WINTER 2018
PUBLISHED QUARTERLY BY HISTORIC COLUMBUS

Currents

DEAR HCF MEMBERS,

On behalf of all of us at Historic Columbus, happy 2018!

As I look back at the past year, I'm grateful for the victories we achieved together. Completing the stabilization of a National Historic Landmark. Putting \$433,000 to work in our historic districts through preservation loans. Granting \$160,000 to save three significant historic structures. Providing scholarship opportunities to graduating seniors. Saving another historic home in Waverly Terrace from the wrecking ball. These are all worth celebrating!

But, we also know there is a lot of work ahead of us in 2018. We need your help to protect the many historic sites, places important to our community, cherished neighborhoods, and cultural landscapes so that we can preserve the stories these places tell and the inspiration they bring.

That's why I'm hoping you'll strengthen your support this year by getting more involved in Historic Columbus. There are several easy ways to do this!

1. Attend a Historic Columbus event, such as the 2018 Lunch and Lecture Series, Preservation for Profit, or the Annual Meeting.
2. Volunteer at a Historic Columbus event, like Pull for Preservation, the Spring Ramble, or Box City Summer Art Camp.
3. Learn more about The Rankin Society and how it will ensure HCF's future.
4. Let a Historic Columbus Board Member know of your interest to serve on the Board or as a Trustee.
5. Call me (706-322-0756) for a driving tour of HCF's latest projects and let me know what you think.

Columbus' historic places have decades of stories to share. When you help to save these places, you're saving critical pieces of our history—along with opportunities for new stories to be told and new connections to be made. With the help of our generous community, we can ensure that historic preservation continues to have a place in Columbus' future.

We are so grateful for everything our members do for Historic Columbus and preservation efforts in our town. This organization would not exist with you.

With great appreciation,

Elizabeth K. Barker

Atlanta Day Trip - May 31, 2018

Callanwolde Fine Arts Center was built in 1920 by Charles Howard Candler, eldest son of The Coca-Cola Company founder Asa Griggs Candler. The estate is located in the Druid Hills neighborhood of Atlanta and is on the National Register of Historic Places. The 12 acre estate contains a magnificent Tudor Revival style mansion, lush gardens, and several outer buildings.

Ponce City Market breathes new life into the historic Sears, Roebuck & Co. building in Atlanta. The classic structure, which is the area's largest adaptive reuse project, has been reinvented as a vibrant community hub housing the Central Food Hall, various shops, flats and offices, all while pointing back to the roots of its inception. The market infuses vigor and excitement into this historically-significant structure, located in one of Atlanta's most cherished neighborhoods.

PUBLIC PARTICIPATION GRANT UPDATE

At the 2017 Annual Meeting in October, Historic Columbus was excited to announce its first recipient of the \$100,000 Public Participate Grant, as well as awarding \$60,000 in additional funds to the other two finalists. These grant funds will all be put to use to install new roofs on each of these historic icons in Columbus.

The Wynn House received \$40,000 to fund the restoration of the cupola and roof replacement. They have completed their work! The funding that Historic Columbus provided repaired and replaced the balustrade and supporting structure on the uppermost portion of the roof, the cupola. It included replacement of the balusters and rails, repair to mounting points, and repair of the dormer structure along with the full replacement of the roof. They have done a great job with the restoration of the structure!

The Springer Opera House starts the work on their restoration the first week of February. The Liberty Theatre will begin their work in the next few months.

More photos and updates to come as the Springer and Liberty complete their work. Stay tuned!

Holiday Tour of Homes

The Holiday Tour of Homes was an incredible showcase of not only beautiful homes, but also music, history, and architecture. The weather was perfect, and we had a wonderful crowd. With over 600 in attendance, our community demonstrated that the High Uptown Historic District is an important part of the history of our town. Santa and the talented students of the Schwob School of Music also kept the day festive.

Chairman Kayla Turner and her incredible committee arranged a wonderful afternoon. We are thankful to all of our homeowners, committee, volunteers, attendees, and corporate partners. We look forward to the next one in 2019!

IN MEMORIAM

Frank S. Etheridge III

(1946 – 2017)

President, 1995 – 1997

Frank was born in Atlanta, the son of the late Frank Scarborough Etheridge II and Hazel Scott Etheridge. The family moved to Columbus when Frank was two years old and he grew up in a house on the corner of Catherine and Camille Drives. His was one of the first classes to attend the newly built Clubview Elementary School. Frank graduated from Columbus High School in 1964. He returned to Atlanta to attend Georgia Tech and graduated with the class of 1968 with a BS in Industrial Management.

Frank began his lifelong career in banking in January of 1969, in Atlanta with Trust Company of Georgia. Frank and his wife, Jane, moved their family of four (including daughter Alison and son Frank IV) back to Columbus in 1988. He retired as President and CEO of SunTrust Bank, West Georgia in June of 2009.

Frank served First Presbyterian Church in Columbus for many years as both a deacon and an elder. He served in leadership positions on many boards that have shaped the life and look of Columbus, from the past, Historic Columbus Foundation, to the future, MidTown, Inc., and the Community Foundation of the Chattahoochee Valley.

He also brought his expertise in leadership and finance to many other community boards to include the Columbus High School Foundation, the Columbus Museum, the Columbus Chamber of Commerce, Vote Yes for Schools, St. Francis Hospital, the RiverCenter for the Performing Arts, the Valley Partnership, the Urban League, the Development Authority of Columbus, Springer Opera House, United Way, Uptown Columbus, Trade Center Authority, Columbus State University Foundation and Columbus Technical College Foundation.

Frank was a steadfast Historic Columbus board member for many years and led our organization as President during some very pivotal moments in Historic Columbus' history. We were also extremely fortunate to have Jane as a part of the HCF family for 20 years. Frank Etheridge was a dear friend and ardent supporter. He will be deeply missed.
