**ESSAY:** Please attach to this form an essay (typed and not to exceed 1,000 words) addressing the following question: **“This Place Matters”**

Why do places matter? They matter because they are a part of our universal story, one of the ties that bind our history, culture, and values together. They reflect where we have been and where we are going. They may not all be beautiful, but they all embody our culture – past and present. Choose a property in Columbus, GA that is at least 50 years old that matters **TO YOU**, write an essay about why **“This Place Matters” TO YOU** and take a picture with a **“This Place Matters”** sign\*.
